REMARKS

Present Status of the Application

It is noted with great appreciation that the Office Action considers claims 1-9 and 14-18 as allowed. However, the Office Action has rejected claims 10 under 35 U.S.C 112, 2nd paragraph as being indefinite for failing to point out and distinctly claim the subject matter which applicant regards as the invention. In response thereto, Applicants have cancelled claims 10-13 without waiver, disclaimer, and prejudice. Applicants have cancelled the aforementioned claims merely to reduce the number of disputed issues and facilitate early allowance and issuance of other claims in the present application. Applicants reserve the right to pursue the subject matter of these cancelled claims in a continuing application, if Applicants so choose.

In light of the foregoing amendments and for at least the reasons set forth hereinbefore, Applicant respectfully submits that all objections and/or rejections have been traversed, rendered moot, and/or accommodated, and that the now pending claims 1-9, 14-18 are in condition for allowance. Favorable consideration and allowance of the present application and all pending claims are hereby courteously requested. If, in the opinion of the Examiner, a telephonic conference would expedite the examination of this matter, the Examiner is invited to call the undersigned.
